Material	carnelian (colour unspecified)
Iconography	bird: falcon; crown, double; jet water; vessel: cup

Credits: by Ondřej Kocourek
Rights: © Museum of Decorative Arts in Prague

A: Horus falcon, standing to left, crowned with the double crown of Egypt (or a crescent?). From his bill a jet of water is running into a high-footed, heart-shaped cup.

B: Hidden.

Mounted in a post-antique ring. For a similar piece, see [CBd-398](#).

Bibliography
Unpublished.
