

## Magical gem: Anguipes

<b>CBd-Number</b>	CBd-73
<b>ID-Number</b>	IL-Landau Collection_10
<b>Collection</b>	IL_Landau Collection
<b>Inventory</b>	10
<b>Former Collections</b>	Int_Art Market (Archeological Center, Tel Aviv)
<b>Material</b>	jasper, yellow; chalcedony, white to brown/grey
<b>Dimensions</b>	16 x 11 x 4 mm
<b>Iconography</b>	weapon: armour; weapon: sword; weapon: shield; Anguipes, cock-headed; figure, cock-headed

Credits: Collection Landau, Israel  
Rights: © Collection Landau, Israel

A: Frontal view of an Anguipes in armour, unspecified (cock? jackal?) head, to left. Both arms raised and bent in elbow, left hand holding a sword, right hand holding a shield, seen from the side.

Around, in the free field, letters to be interpreted, perhaps also characteres: reading uncertain.

B: Plain.

The gem is bored through vertically for suspension.

Bibliography

Unpublished.
